

# IBM COGNOS WITH WATSON:

The screenshot shows the IBM My IBM profile page. At the top, the IBM logo is on the left, and a user profile icon and menu icon are on the right. Below the logo, the text "My IBM" is followed by "Profile" and "Billing". On the right side, the text "IBMId: ammailoveuuuuu@gmail.com" is displayed. The main section is titled "Products". Under "Trials", it says "1 Offering". A card for "Cognos Analytics on Cloud Trial for Students" is shown, with a status of "Active" and an expiration date of "Expires on Sep 14, 2023". Below this card are "Launch" and "Manage" buttons. To the right of the card, there is a large text area that says "Let IBM provide you technology and business solutions to fit your needs" and "IBM's extensive list of offerings helps you find products that fit your technology and business needs. Get started with a free trial today!". A "View catalog" button is also present. In the top right corner of the products section, there is a link: "Need help? Get product support".

The screenshot shows the IBM Cognos Analytics with Watson dashboard. At the top, the title "IBM Cognos Analytics with Watson" is on the left, and a search bar and user profile icon are on the right. Below the title bar, there is a blue banner with a maintenance message: "Maintenance: Scheduled maintenance completed. Click More Info for details and to subscribe to future events". Below the banner, the main heading is "Hello. Welcome to Cognos Analytics with Watson." followed by the text "You can get started right away by taking a look at our introduction video, product tour and Getting Started tab." Below this text are two buttons: "Watch video" and "Take a product tour". To the right of the text is a large graphic showing a central cluster of blue cubes connected to various data-related icons like a server, a chart, and a person. Below the main heading, there is a "Quick launch" section with four cards: "Upload data" (with an upload icon), "Prepare data" (with a data icon), "Exploration" (with a magnifying glass icon), and "Present data" (with a presentation icon). Each card has a brief description of the functionality.
